Media Release

Received additional Prestigious order worth Rs. 94 crore from Reliance JIO

1,300 Towers to be supplied throughout India

Order to be executed by April'18

24th January 2018, New Delhi, India: Salasar Techno Engineering Limited (BSE: 540642. NSE: SALASAR), among leading manufacturers of Telecom Towers in India, has received new additional order of Rs. 94 crore from Reliance Jio, which has emerged as one of the major telecom players in India.

Details of the order –

- Order to supply 1,300 telecom towers worth Rs. 94 crore to Reliance JIO
- Order to be executed by April 2018

Commenting on the new order Mr. Shashank Agarwal, Joint Managing Director, said *“Our excellent execution capabilities reflects in our order book as we continue to get repeat orders from our reputed customers. With this order, we continue to command a strong presence in the supply and erection of telecom towers. Our focus remains on project execution and increasing operational efficiencies which will be key to our success and further strengthen our position. With this order, our total order book now stands at over Rs. 400 crore.”*

About Reliance Jio Infocomm Limited:

Reliance Jio Infocomm Limited, or Jio, is an LTE mobile network operator in India. It is a wholly owned subsidiary of Reliance Industries headquartered in Navi Mumbai, Maharashtra that provides wireless 4G LTE service network and is the only 'VoLTE-only' operator in the country with coverage across all 22 telecom circles in India.

RJIL is setting up a pan India telecom network to provide to the highly underserved India market, reliable (4th generation) high speed internet connectivity, rich communication services and various digital services on pan India basis in key domains such as education, healthcare, security, financial services, government citizen interfaces and entertainment. RJIL aims to provide anytime, anywhere access to innovative and empowering digital content, applications and services, thereby propelling India into global leadership in digital economy.
