Press Release

Salasar Techno has secured an order worth ₹ 22.8Cr for supply of Fabricated Structures

08th April 2021

Salasar Techno Engineering Limited (BSE:540642. NSE: SALASAR), has secured a purchase order for supply of over 2,000 tons of fabricated structures to a reputed customer worth ₹ 22.8 Cr in Odisha.

The order shall be completed in all respects by 31.08.2021 in our new manufacturing plant launched for structural steel fabrication. The newly launched plant is one of the largest installed capacities plant in North India with a total production capacity of 15000 tonne per annum.

About Salasar Techno Engineering Limited:

Salasar Techno Engineering Ltd. Incorporated in 2007 is a provider of customized steel fabrication and infrastructure solutions in India. It provides 360-degree solutions by carrying out engineering, designing, fabrication, galvanization and deployment. Its products include telecommunication towers, power transmission line towers, smart lighting poles, utility poles, high mast poles, stadium lighting poles, monopoles, substation structures, solar module mounting structures, railways electrification (OHE), road and railway over-bridges (ROB) and customized galvanized and non-galvanised steel structures. Salasar Techno Engineering Ltd.'s services include providing complete engineering, procurement and control for projects such as rural electrification, power transmission lines and solar power plants.

Salasar is among the leading manufacturers of telecom towers in India, with a supply of more than 25000 towers since its inception. The company has three state-of-art manufacturing facilities located in Hapur, Uttar Pradesh.
