### **About Salasar Techno Engineering Limited:**

Salasar Techno Engineering Ltd. incorporated in 2007 is a provider of customized steel fabrication and infrastructure solutions in India. The Company provides 360-degree solutions by carrying out engineering, designing, fabrication, galvanization and deployment. Its products include telecommunication towers, power transmission line towers, smart lighting poles, monopoles, guard rails, substation structures, solar module mounting structures and customized galvanized & non-galvanized steel structures. Salasar Techno Engineering Limited's services include providing complete engineering, procurement and control for projects such as Railway Electrification, Rural Electrification, Power Transmission Lines, and Solar Power Plants.

Salasar Techno Engineering is among the leading manufacturers of telecom towers in India with more than 50,000 towers since inception. The Company has three state-of-the-art manufacturing facilities located in Hapur, Uttar Pradesh. For more details, please visit: [www.salasartechno.com](http://www.salasartechno.com)
